TOKYO 2020  
Support Programme

We organize accessible short programs that offer foreign visitors and others the opportunity to gain authentic first-hand experience of traditional culture and performing arts.

## Let's Try Traditional Japanese Music Instruments, Shamisen

"Nagauta," which originated as the kabuki music and developed as shamisen (three-string instrument) music, is a type of traditional Japanese music played on shamisen. You can try shamisen and professional Nagauta players will give a powerful performance and explain Nagauta in a way that makes it easy even for first-timers to understand.
